

# Literacy in the Kindergarten

## A Resource for Kindergarten Teachers

This resource document was compiled by Jan Wells, the Primary Curriculum Consultant, together with teachers from the Vancouver School Board. It is intended to support classroom teachers as they create a rich learning environment that supports literacy learning for all children.

The focus is on play-based learning that is fun and active and which involves the child in purposeful interactions and authentic literacy activities.

### Topics include:

- ▶ Assessment and Evaluation
- ▶ Reading Aloud
- ▶ Shared Reading
- ▶ Independent Reading
- ▶ Interactive Writing
- ▶ Daily Writing
- ▶ Learning to Print
- ▶ Learning Centres
- ▶ Games for Phonological Awareness
- ▶ Home School Connections
